## LIST OF PERSONS BANNED

(updated 07/17/24)

It is the policy of the South Landry Housing Authority (SLHA) to provide for the safe and peaceful enjoyment of the Authority properties for all residents, their guests, and employees of the Authority.

In keeping with this policy, it sometimes becomes necessary and prudent to bar or ban persons from the property to prevent the disruption of a safe, lawful, and peaceful environment.

Persons banned under this policy shall be prohibited from entering upon any Authority property for any reason. If a person banned under this policy enters such properties during the ban time period, it shall be a violation of Louisiana criminal trespass laws.

The following persons are hereby banned from entering or remaining on property owned or managed by SLHA. If you see any of these individuals on SLHA property, you are encouraged to call your local police department immediately or DIAL 911. It is a violation of your lease to allow persons that have been banned to be on any premises of the SLHA. If allowed, your lease may be terminated.
